Education

Maharaja Surajmal Institute of Technology

Bachelor of Technology in Computer Science

2020-2024

CGPA:9.45

Technical Skills

Languages: HTML/CSS, Java, JavaScript, Python, C/C++

Frameworks: ReactJs, NodeJs, ExpressJs

Developer Tools: Git/GitHub, VS code, Postman

Database: Google Firebase, MongoDB

Experience

Mastork Technologies

Aug 2022 – Oct 2022

Full Stack Developer Intern

Remote

- Implemented a full-stack location booking web application for client using **ReactJs**, **NodeJs** and **Firebase**.
- Developed a fully functioning admin panel to manage bookings and listings for the team.
- Integrated payment methods using **Razorpay** and **Twilio** to improve payment failures by 25%.

Cosedge

Feb 2022 – Mar 2022

Front End Developer Intern

Remote

- Delivered a modern web-app that provides Customer Relation Management for the client using **ReactJs** and **NextJs**.
- Executed a metrics dashboard for client to operate customers and manage their hirings.
- Deployed the website using **Firebase** for authentication and database.

Devopsing

June 2022 – July 2022

Full Stack Developer

Freelance

- Coded backend using **ExpressJs** for an online E-commerce portal and improved latency by 10 %.
- Restructured booking, admin dashboards, order/invoice management, payment gateway, etc.

Projects

CodeTube |

ReactJS,NodeJS,ExpressJS,MongoDB

- A Video streaming platform which provides Coding related content for amateur developers to learn programming.
- Developed the frontend with Redux/React Styled Components and created REST API's for Videos, Users and JWT authentication.
- Worked with MongoDB and Firebase to enhance efficiency for storing videos and user database.

Coin Trade India |

ReactJS,NodeJs,RapidAPI

- Web App which provides the realtime stats news of cryptocurrencies.
- Used with Coinranking and Bing News API to fetch realtime information regarding cryptocurrency.
- Implemented graphs to visualize the growth of crypto over years

Edu-Board |

NodeJS,ExpressJS,SocketIO

- A web application for drawing and teaching students with realtime working and editing.
- Students can access features like Download, Notes and live changes between users through Socket-io.

Achievements

- Rating of **3 Stars** (1615) at CodeChef which ranks among the top sites for Competitive Programming.
- Secured **Global Rank 81** in Codechef October Challenge among 12k+ participants
- Solved **400+** DSA problems on Leetcode, GeeksforGeeks and Pepcoding.
- Participated in various Hackathons like Build for Web3, Techathon etc.
- Lead IEEE MSIT CS as **Vice Chairperson** and organised a lot of tech events.
